

Worksafely Refresher & Working Safely with Geotechnical Risk in Quarries Workshops

Thursday
22nd June 2017

8.30am - 4.30pm

**Worksafely Refresher
&
Working Safely with
Geotechnical
Risk in Quarries
Workshops**

*(including
morning tea and lunch)*

**Ballarat Golf Club

1800 Sturt Street
Ballarat**

A substantial day is planned for CMPA Members and other interested industry contributors in Ballarat.

Geotechnical risk:

The CMPA would like to extend an invitation to all Members and interested industry parties to attend a training session on Working Safely with Geotechnical Risks in Quarries.

This will enable you to gain an understanding of how to reduce geotechnical risks on your site and ensure you are compliant with safety regulations.

Worksafely Refresher:

The Worksafely Refresher is for those that have completed Certificate II in Extractive Industries Operations Training Package RIIOHS201D and RIIRIS201D. It includes accessing and identifying the site safety procedures, applying personal safety measures, applying operational safety measures, maintaining personal well being and identifying and reporting incidents. Also to update and inform participants on the:

Duties of Employees / Employers, Signage, Guarding, Dust and Noise Management and Plant Isolation
