

CMPA WORKFORCE MEMBERSHIP

Since inception in 2000, the CMPA has grown in size, endeavour and unity and is now widely regarded as an organisation committed to bringing about positive change for its membership base in the construction material industry.

Throughout all activities, the CMPA has also focussed on working to grow the dignity and respect the industry feels as a whole and as individual Member businesses.

As a representative organisation, the CMPA is now regularly called upon to provide comment, submissions and direct assistance to Members, Government, regulatory bodies, industry and the wider community.

The CMPA mediates and supports Members with issues concerning Work Authorities, OHS, industry best practice and many other concerns.

The CMPA offers **Workforce Membership** to individual industry participants who want to be kept up-to-date on current industry issues and the activities of the Association.

With an annual cost of just \$65, the benefits of Workforce Membership include:

- Being informed, supported and invited to comment upon issues being addressed by the CMPA
- Being included on the mailing list for *Sand & Stone* magazine and having access to the Members Only area of the CMPA website www.cmpavic.asn.au
- Being personally invited to meetings and events including Workshops and the CMPA Annual Dinner
- Discounted publications and training (*see over page*), access to a wide variety of information, industry supplier discounts and numerous opportunities for networking
