to you to join the
event.

Do you have a Drugs and Alcohol Policy? From 1 April 2021 the Victorian Blood Alcohol Concentration limit is zero (0.00) for drivers of all vehicles greater than 4.5 tonne GVM upwards.

The CMPA is holding this vital 1 hour webinar to help Members develop a robust Drugs and Alcohol policy to reduce risk and associated liabilities. This webinar is for owners, managers, supervisors and HSE officers who would like to update their current policy or do not have a policy.

10:00 am Drugs & Alcohol Policy Greg Ryan Department of Transport
Introduction,
The effects of Alcohol and Other Drugs,
Why & who should have a Policy, Build Your Policy,
Putting your policy into practice and
Resources.

At the end of this session, participants will have a policy and the tools to implement their policy in the workplace.

What are the advantages of attending this one-hour webinar session?

- The facilitator will answer any queries or concerns you have during the 9 yes/no question process of the online Policy Builder available at:
<https://www.vicroads.vic.gov.au>
- Completing the Policy Builder will ensure your business has a robust, tailored to your needs alcohol and drug policy that will help to reduce risk and associated liabilities
- You will have consistency in management and decision-making about alcohol and drug-related matters.

Please feel free to email questions for the presenter with your registration.
